AL KOL ELEH

HEBREW
SONGS OF *HOPE*

SUPPORT CHAI'S MISSION

Al Kol Eleh is taking place on Sunday afternoon, October 25, 2026 at the Seven Oaks Performing Arts Center, 711 Jefferson Avenue. We expect a full house of 526 attendees.

Al Kol Eleh: Hebrew Songs of Hope is a celebration of community, resilience, and joy, brought to life by the Chai Folk Ensemble. This unique afternoon concert brings together Chai's dancers, singers, and band alongside beloved alumni and—for the first time in 25 years—children performing on stage as part of the ensemble. Featuring beloved Chai favourites alongside new works that celebrate the rich tapestry of Israel, this event presents a special medley of songs by Naomi Shemer, the "First Lady of Israeli Song." This collection honours the past, present, and future of the Chai Folk Ensemble, uniting us as one.

At a moment when our community is seeking connection, meaning, and light, *Al Kol Eleh* offers a powerful message of hope and strength through music and dance.
